(Generally, inquiries regarding medical history will be made only if and after a conditional offer of employment has been extended.) I hereby release former employers, health care providers, and other persons from all liability in responding to inquiries and releasing information in connection with my application. I understand, also, that I am required to abide by all rules and regulations of the company.

- Have errors in the information corrected by previous employers and for those previous employers to re-send the corrected information to the prospective employer; and

Certification of Compliance with Driver License Requirements

Motor Vehicle Drivers

MOTOR CARRIER INSTRUCTIONS: The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous material that require placarding.

The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

DRIVER REQUIREMENTS: Parts 383 and 391 of the Federal Motor Carrier Safety Regulations contain some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows:

1. POSSESS ONLY ONE LICENSE: You, as a commercial vehicle driver, may not possess more than one motor vehicle operator's license. If you have more than one license, keep the license from your state of residence and return the additional licenses to the states that issued them. Destroying a license does not close the record in the state that issue it; you must notify the state. If a multiple license has been lost, stolen, or destroyed, close your record by notifying the state of issuance that you no longer want to be licensed by that state.

2. NOTIFICATION OF LICENSE SUSPENSION, REVOCATION OR CANCELLATION:

Section 391.15(b)(2) and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify your employer the NEXT BUSINESS DAY of any revocation or suspension of your driver's license. In addition, Section 383.31 requires that any time you violate a state or local traffic law (other than parking violations), you must report it within 30 days to:

- A. Your employing motor carrier and
- B. The state that issued your license (if the violation occurs in a state other than the one which issued your license) the notification to both the employer and state must be in writing.

The following license is the only one I will possess:

Driver License No. _____ State: _____ Exp. Date _____

DRIVER CERTIFICATION: I certify that I have read and understood the above requirements.

Driver's Name (printed): _____

Driver's Signature: _____ Date: _____
